INTRODUCTION

WELCOME TO FOREST AREA MIDDLE/HIGH SCHOOL

The student handbook is the evolution of many years of student, parent, and administrative input. This handbook represents the best effort, to date, of making sure that all students are afforded the best opportunities to learn in the middle and high school environments. Rules and regulations outlined herein are offered as a means of obtaining the best for students, parents, teachers, and administrators alike. These policies and procedures have been established by the Board of Education to provide for the welfare of all students in the Forest Area Middle/High Schools. All policies, regulations, definitions, and procedures comply with the laws of the State of Michigan and of the United States. All parents, students, and staff are expected to be familiar with the contents of this handbook. Students, you will be held accountable for adhering to the rules stated herein. Though an attempt has been made to make this handbook as comprehensive as possible, no handbook could cover every situation that will be encountered at a middle/high school. The “Student Responsibilities” section of this handbook is to be used as a guide for discipline. The staff will make every effort to apply the disciplinary code in an equitable and consistent manner. The final determination of any issue will be made at the discretion of the administration or Board of Education. If there are questions or comments, please direct them to a building administrator. It is suggested that parents and students go over the contents of this handbook together.

Selected junior and senior students from Traverse Bay Area Schools are afforded an opportunity to further their vocational training through the cooperative efforts of the constituent districts of the TBA Intermediate School District. Instruction is basically outlined as a one or two-year plan. Each year, sophomore students are surveyed and applications provided for those interested in attending the Center. Selection is then made by the counseling department in conjunction with the student, parents, and administration. Participating students spend one-half of their school day at the Career-Tech Center, the other half-day in their home school environment. The school district provides their bus transportation to and from the Center. All Career Tech Center Students must take the bus to and from the Career Tech Center. Students are not allowed to drive to or from the Career Tech Center unless prior approval has been granted by school administration. Failure to follow this policy will result in disciplinary action and possible dismissal from the Career Tech program.

Each Forest Area student choosing to attend the Career Tech Center shall be held to a high academic standard. If any student fail two or more semester courses at Forest Area High, he/she may be removed from Career Tech Center immediately.

Credit earned at the Center will be allowed to accumulate toward home-school graduation requirements. In addition, at the completion of a vocational program, each student will receive a certificate listing the occupational competencies that he/she has attained. The instructor will certify these competencies, the student’s attendance record, and make any appropriate employment recommendations.

Attendance will be taken daily to and from the Career Tech Center. If a student has an appointment or other emergency situation that requires a student to use their own transportation, the parent/guardian must notify the High School office 24 hours in advance.

GUIDANCE & COUNSELING
Forest Area School provides a guidance and counseling program for students. The school’s counselor is available to those students who require additional assistance.

The guidance program is available to assist students in identifying career options consistent with their abilities, interests, and personal values. Students are encouraged to seek the help of counselors to develop class schedules that meet the student’s career objectives. High school juniors and seniors have the opportunity to receive college and career-oriented information. Representatives from colleges...
and universities, occupational training institutions and career-oriented recruiters, including the military, may be given access to the school campus in order to provide students and parents/guardians with information.

- **Grading and Promotion**
  
  School report cards are issued to students every 9 weeks. For questions regarding grades, please contact the classroom teacher. The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, and their performance on standardized tests and other tests.

  Final grades will be based on a 40-40-20 model: 40% each quarter and 20% final exam, unless approved by administration.

- **Dual Enrollment**

  Students who have earned specific scores on the SAT test and/or passed the postsecondary college entrance exam can dual enroll with Forest Area High School. Credit may be granted to students who successfully complete a course of instruction offered by an eligible postsecondary institution. The following requirements apply:

  1. Application and admission to the postsecondary institution are the responsibility of the student.
  2. To receive high school credit the student must obtain prior approval from the high school counselor or principal prior to enrollment at the postsecondary institution. Note that many colleges begin the semester prior to the Forest Area Community School year. It is recommended that students make an appointment to review his/her option with the high school counselor the semester prior to enrolling in the postsecondary course.
  3. Computation of high school credit for postsecondary coursework will be based on the following formula: three (3) semester hours equals one (1) unit of high school credit, four (4) semester hours equals (1.5) unit of high school credit, and one (1) semester hour equals (.5) unit of high school credit.
  4. Upon validation from the issuing postsecondary institution, the student’s credit and grade WILL be recorded on the student’s high school transcript. The student is responsible to have the postsecondary institution report the student’s grade and credit to the high school counselor in a timely fashion.
  5. Tuition for the course will be paid by the school district for eligible students. If a student does not receive credit or drops from the course after the refund period, the student/parent are responsible for the cost not reimbursed from the postsecondary institution. Student will reimburse FA with tuition and fees of classes in which they earned less than 1.0.
  6. A student who successfully completes a dual enrollment course can receive credit at both the college and high school level. GPA will be calculated using all courses, including dual enrolled courses.
  7. College textbooks that are purchased by Forest Area Community Schools must be returned upon the completion of the course and/or conclusion of the student’s attendance in the course. Any books not returned will be viewed as an outstanding school debt.
  8. Students will be permitted a maximum of 10 college courses paid for by Forest Area Community Schools.

For more information regarding dual enrollment options, please visit the state of Michigan Department of Education Dual Enrollment website:  [http://www.michigan.gov/mde](http://www.michigan.gov/mde)
● **Early College:**
Students who will be enrolled in certain TBAISD Career Tech. Programs may be eligible to apply for the TBAISD Early College Program. Interested 10th grade students must apply to participate and meet all Forest Area and TBAISD requirements. FACS has the final decision regarding participation. Additional information can be found on the TBAISD website. Please contact the school counselor for enrollment dates and procedures. Early College students at Forest Area will not be eligible for Valedictorian or Salutatorian status and will not receive a diploma from Forest Area Community Schools until the 13th year and ALL graduation requirements are complete.

● **Testing Out:**
Students may test out of high school classes. Students must notify counselors of their intentions. A meeting will take place a minimum of three weeks prior to the new semester between the counselor, teacher, student, and parent to review educational goals and requirements of testing out. Students may only test out of credits they are not currently enrolled. When a student successfully passes a credit assessment (80% or better on the exam for that class), his/her high school transcript will record the course as “credit,” but no grade or GPA will be recorded.

● **Online Courses:**
A student enrolled in an online course may receive high school credit for the course if this criteria is met:
1. The course is offered by an institution approved by the superintendent or designee.
2. The building principal approves the course in advance.
3. Students are only allowed to take an online course if:
   ● that course is not offered in person
   ● the student needs credit recovery and the in person class does not fit into their schedule
4. Unless prior administrative approval is granted, students can only take 2 online courses per semester.

Online courses may apply toward high school credit. Students enrolling in an online course must choose to take the class for a letter grade, or for “Credit” only. Students will make this choice at the beginning of the course, and may not change the grading designation after the first week of the semester. Students must complete 100% of the course; failure to complete the course will negatively impact their grade.

A district may deny a pupil enrollment in an online course if any of the following apply, as determined by the district
(a) The pupil has previously gained the credits provided from the completion of the online course.
(b) The online course is not capable of generating academic credit.
(c) The online course is inconsistent with the remaining graduation requirements or career interests of the pupil.
(d) The pupil does not possess the prerequisite knowledge and skills to be successful in the online course or has demonstrated failure in previous online coursework in the same subject.
(e) The online course is of insufficient quality or rigor. A district that denies a pupil enrollment for this reason shall make a reasonable effort to assist the pupil to find an alternative course in the same or a similar subject that is of acceptable rigor and quality.

If a pupil is denied enrollment in an online course by a district, the pupil may appeal the denial by submitting a letter to the superintendent of the intermediate district in which the pupil's educating district is located. The letter of appeal shall include the reason provided by the district for not enrolling the pupil and the reason why the pupil is claiming that the enrollment should be approved. If the intermediate district superintendent or designee determines that the denial of enrollment does not meet 1 or more of the reasons specified, the district shall allow the pupil to enroll in the online course.

**CHANGING CLASSES**
During the scheduling process, students are given the opportunity to select elective classes for the coming school year. Students will not be allowed to drop classes without Counselor approval. All schedule changes must be completed within one week from the start of the new semester.
**STUDENTS OF THE MONTH**
In an effort to encourage students to perform at a high academic level, the staff will recognize students on a monthly basis. Every month students will be recognized for their academics, citizenship, efforts and achievements. One male and one female from FAMS and FAHS will be recognized.

**PERSONAL CURRICULUM**
A personal curriculum (PC), requested by a parent, legal guardian, or emancipated student, allows the board of a school district or public school academy to award a high school diploma providing the student completes the PC, including as many of the content expectations of the MMC as practicable. State statute allows for personal curriculum modification in order to:

- Go beyond the academic credit requirements by adding more Math, Science, English Language Arts, or World Language credits.
- Modify the mathematics requirement.
- Modify, if necessary, the credit requirements of a student with an Individualized Education Plan (IEP).
- Modify credit requirements for a student who transfers from out of state or from a nonpublic school and is unable to meet the MMC requirements.

**HOMEBOUND/HOSPITALIZED INSTRUCTIONAL SERVICES**
A student who is absent or whose physician anticipates the student’s absence from school for an extended period of time, or has ongoing intermittent absences because of a certified medical condition, may be eligible for instruction in the student’s home, hospital, or licensed treatment facility. To be eligible for such services, the student’s attending physician must certify that the student has a medical condition that requires the student to be confined to the home or hospitalized during regular school hours for more than five (5) consecutive school days. Students who are able to attend school part-time are expected to do so and do not qualify for homebound and hospitalized services. For information on homebound or hospitalized instructional services, please contact the building principal.

**MANDATED REPORTERS**
School teachers, counselors, social workers, and administrators, are required by law to immediately report any and all suspected cases of child abuse or neglect to the Michigan Family Independence Agency.

**HOMELESS CHILD’S RIGHT TO EDUCATION**
When a child loses permanent housing and becomes a homeless person as defined by law, or when a homeless child changes his/her temporary living arrangements, the parent/guardian of the homeless child has the option of either:

1. Continuing the child's education in the school of origin for as long as the child remains homeless or, if the child becomes permanently housed, until the end of the academic year during which the housing is acquired; or
2. Enrolling the child in any school that non-homeless students who live in the attendance area in which the child or youth is actually living are eligible to attend.

The school district's designated "homeless liaison" is the Assistant Principal.

**ENGLISH LANGUAGE LEARNERS**
The school offers opportunities for English Language Learners to develop high levels of academic attainment in English and to meet the same academic content and student academic achievement standards that all children are expected to attain. Parents/guardians of English Language Learners will be: (1) given an opportunity to provide input to the program, and (2) provide notification regarding their child’s placement in, and information about, the school district’s English Language Learners programs. For questions related to this program or to express input in the school’s English Language Learners program, contact the building principal at 231-369-2884 Ext. 126.
ATTENDANCE PROCEDURES AND EXPECTATIONS

OFFICIAL SCHOOL DAY
School begins at 8:25 and ends at 3:15. Doors will open at 7:45 am for breakfast. Upon dismissal, students need to head straight to their after school activity, or leave campus. There is no loitering.

ATTENDANCE REQUIREMENTS TO RECEIVE CREDIT IN A CLASS
Students may be absent (excused and unexcused) a maximum number of 10 times per class period. An alert through Powerschool will notify parents by 9:15 am of any unverified absences that morning. Students will be required to complete missing assignments in order to earn credit in the class. A parent letter will be sent home once a student reaches six and ten absences. Once a student has exceeded the ten day absence policy, families will be referred to law enforcement, per Forest Area Attendance Policy. This policy can be found on our website and the HS/MS office. The student is responsible to meet with teachers and check PowerSchool to make up missed work due to absences. In general, students are allowed one day for each absence to make up missed work. Any work that was assigned before the absence is due on the day of return. Teachers may require students to complete tests/quizzes before or after school. Some activities, especially those involving collaboration may not be made up. (Refer to make-up work guidelines)

EXCUSED ABSENCES
- Personal Illness- A doctor’s note is advised.
- Illness in the Family
- Quarantine of the Home
- Death of a Relative
- Observance or Celebration of an Established Religious Holiday
- Professional appointment

EXCUSED ABSENCES – NOT COUNTING TOWARD TOTAL ABSENCES
- Field trips
- Athletic Events
- Conferences
- Special Programs
- Family trips/vacations (as noted in the handbook)
- College Visits (2 days allowed each year for Juniors and Seniors)

UNEXCUSED ABSENCES
An unexcused absence from a class shall be considered truancy and may be subject to discipline. See our Truancy Policy on our website or at the MS/HS office.

PRE-ARRANGED EXCUSED ABSENCES
Parents must notify teachers and administration in advance for pre-arranged excused absences. Students should request homework prior to departure and arrange time to make up missed tests or quizzes at a time that is acceptable with the teacher. Students attending school-related functions (ex: field trips, contests, athletic events), other than their normally scheduled classes, have the same responsibility for prearranged work. Upon return from an absence (or school-imposed suspension), the work that was due on the day of the absence is due the day of return. If a student was absent due to illness, the student will have as many days to complete make-up work for each excused absence. Students, who have extended illness, should make arrangements with their teachers on an individual basis.

TRIPS/VACATIONS:
Prior to a vacation or trip, parents should notify the Principal’s office in writing (Family Vacation Form) in order for the absence to be excused. Students will be responsible for making necessary arrangements for missed coursework with their teacher. Absences due to a vacation or trip will not count toward the 10 absences allowed. Students are allowed 1 family vacation/trip per year, for 1 to 5 days in length.
TARDY POLICY:
1. A student is considered tardy if he/she is not in his/her classroom after the tardy bell rings.
2. If a student is more than 10 minutes late for a period, they will be considered absent.
3. Consequences for Tardies:
   - After 3 tardies in a class, the student will receive a lunch detention.
   - After 5 tardies, an after school detention.
   - Each subsequent tardy beyond 5 will result in an after school detention.
   - Students must be engaged in an academic activity while serving detentions (homework, reading, etc.)

PROCEDURES FOR REPORTING ABSENCES
ANY ABSENCE MUST BE VERIFIED BY A CALL OR NOTE FROM THE PARENT OR GUARDIAN BY 9:00 AM ON THE DAY OF THE ABSENCE. Parents may send a verified excused absence letter to school the following day to verify an unexcused absence.

LEAVING OR ENTERING SCHOOL BUILDING DURING SCHOOL HOURS
Students under the age of 18 must have a parent/guardian sign the student in/out at the office.
1. Students are not to leave the building without permission. Students who leave school during the school day before their usual dismissal time must first get approval from the principal’s office.
2. Students who are on school grounds and not in their scheduled class are considered absent.
3. Students who are ill or injured must report to the principal’s office before leaving the building.
4. Students leaving for the Teen Health Corner are to sign out and back in the main office.
5. Parents/guardians must sign out a student in the main office.
6. Parents/guardians cannot excuse a child from leaving early if the child has already left the building without signing out in the office as required above.

MAKE-UP WORK GUIDELINES
It is the student’s responsibility to obtain make-up work from the teacher the day they return. The teacher may set the day for completion of this work. Long-term due dates and tests announced in advance may not be postponed. It is possible that certain kinds of schoolwork such as labs, skill-practice sessions, or participation cannot be made up and as a result may negatively impact a student’s grade.

SCHOOL-IMPOSED ABSENCES
IN-SCHOOL SUSPENSION may be assigned by an administrator for violations of the Student Code of Conduct. Students in In-School Suspension will be expected to request and bring assignments from teachers and make up missed class work. Absences from In-School and Out of School Suspension do not count against attendance totals.

CODE OF CONDUCT
The Staff at Forest Area Community Schools believes a Positive School Climate is essential to the learning process. We implement Positive Behavioral Interventions and Supports. This includes:
- Teach, model, and practice behavior expectations in a supportive environment.
- Reinforce positive behavior with recognition and intermittent rewards with Gold Cards.
- View poor behavior as a teachable moment with reteaching and consequences as necessary to shape behavior.
- Addressing the health needs of our students with referrals for counseling.
- Use of restorative practices to improve and repair relationships

Physical assault is defined as intentionally causing or attempting to cause physical harm to another through force or violence.
Verbal assault is defined as any statement or act, oral or written, which can reasonably be expected to induce in another person(s) an apprehension of danger of bodily injury or harm.

1. Minor Offenses: Tardies, no passes, forging notes, hats on, violation of dress code, public display of affection, disrespect, etc..
2. Major Offenses: Insubordination, theft, fighting, pulling of fire alarm, chronic truancy, skipping class, use/possession of alcohol and/or drugs, on school grounds, while under the influence of illegal substances. bomb threats, weapons, look-alike weapons and use/possession of tobacco. *Repeated minor offenses.

TYPES OF DISCIPLINE MEASURES
Every effort should be made by the staff to solve disciplinary problems within the school setting without excluding a student from school. Parents are to be informed when a student persists in unacceptable conduct. The principal shall keep a record of such conduct in writing with evidence documented to aid in efforts to solve the problem. One or more of the following disciplinary measures may be invoked:

1. Detention (During lunch, or before/after school)
2. (ISS) In-School Suspension (1-3 days)
3. (OSS) Out of School Suspension (1-10 days)
4. Expulsion (1 calendar year)

LUNCH/BEFORE/AFTER SCHOOL DETENTION
This is a detention time that must be served during the student’s lunch time, before or after school. The student is to remain in an area designated by School Administration until the detention is over. Failure to show up on time will result in further disciplinary action. Students must be engaged in academic activities during detention times (homework, reading, etc.)

DETENTION POLICY
Detention Period Description
1. Begins five minutes after school is out, or one hour before school, and last for one hour.
2. To be held in the in-school suspension room or the Principal’s office.
3. Sleeping will not be allowed.
4. Students will be doing an assignment for the full 60 minutes.
5. Satisfactory performance of detention time will be the judgment of the teacher(s) in charge of the period. Any student who is not performing satisfactorily will be told to leave and they may be suspended from school by the principal.
6. Any student late (1-10 minutes) for the detention will serve the remainder of that hour plus another hour the following week.
7. Skipping detention may result in in-school /out-of-school suspension.
8. If a student fails to serve a detention in a timely manner, the detention will be doubled to two hours. Students will have one week to serve the two detentions. If not completed on time, the student will receive a one day in-school suspension, which will eliminate the two detentions.
9. Athletes will not be able to participate in practices/athletic competitions if the two detentions have not been completed. Refer to athletic handbook for details.

IN SCHOOL SUSPENSION (ISS)
The student is removed from daily classes, but not from the building. They are expected to complete daily assigned work in silence by themselves. Parents will be informed by the principal or the assistant principal of all suspensions.

OUT OF SCHOOL SUSPENSION (OSS)
Out of school suspension may be assigned by an administrator for violations of the Student Code of Conduct. The office will request assignments and students will be expected to make up missed assignments. The student is not allowed on school property during an out of school suspension and may not attend any school functions.

EXPULSION
Expulsion is defined as the permanent exclusion of a student from school and requires action of the Board of Education. As a condition of reinstatement, a suspended student may be required to enter into a contract that sets forth the terms and conditions of reinstatement. Any violation of the re entry contract will result in an additional suspension, alternative setting, or expulsion from school. When it becomes necessary to suspend a student due to an incremental detention disciplinary problem or a violation of a major school regulation, the principal/counselor will notify the parent/guardian immediately by telephone.
The Principal will make a recommendation to the School Board for expulsion only after all other means of disciplinary actions have failed. Expelled students may apply for readmission after the expulsion period. If such students are re-admitted, it is with the clear understanding that they enter on disciplinary probation, the terms of which are to be fixed by the Administration. In certain circumstances second semester seniors who reach the point of expulsion may no longer attend classes but may be allowed to take their exams. If they fulfill all graduation requirements, they will receive a diploma privately.

SUSPENSION & EXPULSION DUE PROCESS
In case of suspension and expulsion the following procedure and process shall be followed:

1. Temporary Suspension:
   - The student shall not be judged guilty by virtue of being accused.
   - An informal investigation shall be conducted by the principal for the purpose of obtaining all information pertinent to a fair decision.
   - Provisions shall be made for the student to be heard and to present his/her view of the occurrence involved.
   - If temporary suspension is the decision of the principal, the student shall be duly informed of the reason.

2. Expulsion
   - Any recommendation of expulsion made by the superintendent to the Board of Education shall be in writing and shall set forth the grounds for the recommendation.
   - Upon receiving a recommendation for expulsion the Board of Education shall set a date, time and place for a hearing on such recommendation and notify the parents of said hearing at least five (5) days before the date of the hearing.
   - Following the conclusion of the hearing, the Board of Education shall determine whether the student shall be expelled. The decision of the Board of Education shall be communicated in writing to the parents or guardian of the student within two (2) school days from the date of the hearing.
   - At the student's request, the hearing may be private, but the Board must act publicly. The Board shall act on any appeal, which must be submitted in writing, to an expulsion, to a request for reinstatement, or to a request for admission after being permanently expelled from another district.

3. Rules and Procedures for Conducting Board of Education Hearing for Expulsion
   - Written notice shall be given of the time, date and place of hearing.
   - The student or parent may be represented by an attorney or other advisor of their choosing.
   - Witnesses may be presented at the hearing and the student or his representative may question the witnesses testifying against the student.
   - The hearing is not a court proceeding and court rules of evidence shall not be enforced at such hearing.
   - There may be present at the hearing the principal or superintendent, the Board of Education’s attorney and such other resource personnel that the Board of Education deems necessary to assure the proper adjudication of the case.

DANGEROUS AND NON-DANGEROUS WEAPON GUIDELINES
Under Michigan Public Act 158 of 1994, students who bring a dangerous weapon will receive a 10-day suspension and will be brought before the School Board to face expulsion along with other possible penalties. A dangerous weapon is, and not limited to, a knife with a blade three inches or longer, firearms, or other weapons which may be determined to be dangerous.

All Forest Area MS/HS administrators will use the following guidelines when disciplining a student who brings non-dangerous weapons to school. A non-dangerous weapon is, and not limited to, a knife with a blade less than three inches, look alike firearms.

Principals will have the discretion to take into consideration the following points and extend the minimum days of suspension (3-10 days) and possibly a long term suspension and/or expulsion for up to 180 days.
   - Previous referrals for aggressive or violent behaviors
   - Documented verbal threats made to students or staff
   - Student’s intent for bringing the non-dangerous weapon to school

DRESS CODE
Students are expected to wear clothing in a neat, clean, and well-fitting manner while on school property and/or in attendance at school sponsored activities. Students are to use discretion in their dress and are not permitted to wear apparel that causes a substantial disruption in the school environment.
   - Student dress (including accessories) may not advertise, promote, or depict alcoholic beverages, illegal drugs, drug paraphernalia, violent behavior, or other inappropriate images.
● Student dress (including accessories) may not display lewd, vulgar, obscene, or offensive language or symbols, including gang symbols.
● Dresses, skirts, and shorts must not be higher than fingertips when arms are hanging at the side.
● Pajamas should not be worn to school, including pajama-style pants. Exceptions may occur during spirit week.
● Slits in dresses, skirts, and shorts must not be higher than fingertips when arms are hanging at the side.
● All undergarments should be covered, including boxers and bras. Shoulder straps must extend to the end of the shoulder. Pants/jeans worn excessively low or “sagging,” garments that reveal midriffs or are cut too low in the chest, and mesh clothing are forbidden.
● Hats, bulky winter coats, sunglasses, blankets, do-rags/bandanas and extra-large hair accessories worn to school must be stored in lockers during the school day.
● Hoods on sweatshirts, shirts, or cover-ups must be worn down at all times.
● Hair styles, dress, coats, and accessories that pose a safety hazard are not permitted in the shop, laboratories, or during physical education.
● Appropriate footwear must be worn at all times. Slippers are not permitted. Shoes with rollers, spikes, or plates are not permitted in the building.
● Students, whose dress causes a substantial disruption of the orderly process of school functions or endangers the health or safety of the students or others, may be subject to discipline.

Students with clothing, accessories, or hair that detract from the learning process will be asked to report to the principal’s office for corrective and/or disciplinary actions. If there is any doubt about dress and appearance, the building principal will make the final decision.

STUDENT AFFECTION IN SCHOOL
The following types of behavior shall be specifically forbidden at school, on school grounds, or at school activities:
  1. Kissing
  2. Petting, fondling, feeling, and embracing.

DRUG & ALCOHOL POLICY
Students are prohibited from: The use of alcohol, drugs, or look-alike drugs in the school building or on school grounds; the use of alcohol or drugs at school functions, even if these functions should be held away from the school premises; and from appearing in school or at school functions when to any degree under the influence of alcohol and/or drugs. It is against school policy to deliver, attempt to deliver or cause to be delivered a controlled or uncontrolled substance which the person:
  ● represents to be a controlled substance; or
  ● represents to be of a nature, appearance or effect which will allow the recipient to display, sell, distribute or use the substance as a controlled substance.

The use of any substance intended to be used as a drug (as determined by the building principal) shall be considered a serious offense. Students may also face law enforcement authorities. Lockers and vehicles may be searched by school personnel and/or law enforcement if there is any reason to believe drugs or alcohol are present. Also, there will be occasional dog and law enforcement checks throughout the year.

Any medication must be turned in and handled by the office. An Authorization for Administration of Medication form must be completed and turned in with the medication in the original container by the student’s parent/guardian.

USE OF TOBACCO/E-CIGARETTES
No student shall be in possession or use tobacco and/or E-Cigarettes (nicotine, vapor, THC, etc.) in the school building or on the school premises. No student shall be in possession or use tobacco and/or E-Cigarettes at or during school functions, even those held away from the school. Disciplinary action will be under the major offense category.

BULLYING/CYBERBULLYING/HARRASSMENT/TAUNTING
The Board of Education has adopted a policy which states: It is a violation of law and school rules for any student or staff member to harass or intimidate any other student or staff member. If a student or staff member is the victim of any unwanted sexual actions or comments or of derogatory statements or actions concerning his/her gender, religion, race, ethnic group, or disability, the student or staff member should report such behavior to the principal’s office. All reports will be kept confidential and shall be investigated as soon as possible.
**CYBERBULLYING**
Cyberbullying means bullying through the use of technology or any electronic communication, which includes, but is not limited to, any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photoelectronic system, or photo optical system, including, but not limited to, electronic mail, internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or web log-in which the creator assumes the identity of another person, or the knowing impersonation of another person as the author of posted content or messages, if the creation or impersonation creates any of the conditions enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons, if the distribution or posting creates any of the conditions enumerated in the definition of bullying. Cyberstalking is also viewed as cyberbullying. Cyberstalking means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

"Within the scope of the District" means regardless of ownership, any computer, computer system, or computer network that is physically located on school property or at a school-related or school-sponsored program or activity.

**Scope**
The investigator will provide a report on the results of the investigation with recommendations for the principal to make a determination if an act of bullying or harassment falls within the scope of District authority. Computers without web-filtering software or computers with web-filtering software that is disabled shall be used when complaints of cyberbullying and/or cyberstalking are investigated. If the action is within the scope of the District, District procedures for investigating bullying and/or harassment shall be followed. If the action is outside the scope of the District, and believed to be a criminal act, the action shall be referred to the appropriate law enforcement agency. If the action is outside the scope of the District and believed not a criminal act, the principal shall inform parents/guardians of all minor parties.

**HARASSMENT (Interpretation for students)**
Harassing behavior or harassment because of race, color, national origin, religion, sex, handicap, height, weight, age, or academic status of students by other students of this school is unlawful under both Michigan and Federal law. Harassment includes (but is not limited to) unwelcome advances, engaging in improper physical contact or touching, improper comments or otherwise creating an intimidating, hostile or offensive environment.

**CHEATING/PLAGIARISM POLICY**
Cheating will be taken care of by the classroom teacher. Plagiarism is presenting another’s “intellectual property” as one’s own work. Intellectual property, for purposes of this handbook, can be defined as written ideas, phrases, sentences or even individual words or numbers. Student writers who borrow directly or paraphrase another’s ideas must give proper credit through parenthetical citations or use of direct quotes. Plagiarism also includes copying another student’s homework assignments, and its penalties will extend to include those found to have loaned finished assignments to someone else for the purpose of copying. Penalties for identified plagiarism will be dealt with by the individual classroom teacher, but may also be referred to the principal’s office.

**First Offense**
- Automatic zero on the assignment
- Parents called

**Multiple Offenses:** Students with two offenses in one class will receive a letter grade of “E” for that marking period in that class.

**SKIPPING SCHOOL**
A student absent for all or part of a school day without permission may be required to make up the time. If the number of days missed (according to the above definition) constitutes truancy under the truancy laws, the student will be referred to the truancy office. If the student is over the age to be reported to the truancy office, serious disciplinary action up to and including expulsion from school may result. Absences for all or part of a school day without permission will cause the student to forfeit his/her participation in extracurricular activities for that day.
CLOSED CAMPUS
Students are expected to be on campus at all times during the school day, including lunch. Only those students with proper clearance or school authority may leave campus per the school principal. Students should not open any doors for ANY visitors. All visitors must check in at the office. Violation of the closed campus rule will result in disciplinary action.

EMERGENCIES
Fire Alarms/Tornado/Intruder Drills
Fire drills at regular intervals are required by law and are an important safety precaution. It is essential that when the first signal is given, everyone obeys orders promptly and clears the building by the prescribed route as quickly as possible. The teacher in each classroom will give the students instructions. To promote safety instruction to students, intruder drills will be conducted throughout the year.

False Fire Alarms
Triggering false alarms is unlawful and dangerous. Anyone deliberately creating a false alarm will be reported and prosecuted. Fire extinguishers are provided for your safety. THEY MUST BE LEFT ALONE OR THEY WILL NOT BE READY WHEN AN EMERGENCY EXISTS.

School Closings
School officials are in constant contact with civil defense agencies, road commission crews, and law enforcement agencies during severe and inclement winter weather. In the event that conditions get worse once students have arrived at school, the school will close as soon as transportation arrangements can be made. Radio stations will be notified immediately of dismissal procedures and will broadcast this information as a public service. Electronic alerts will also be sent to families.

In the event severe ice or snow conditions prohibit the opening of school on any particular day, this information will be relayed to students and parents over the “Instant Alert” system, radio, and television as soon as a decision has been made. Normally, this will be aired on or before 6:00 AM. Students and parents are requested not to call the school to request such information. Electronic alerts will also be sent to families.

EXTRACURRICULAR EVENTS
Extracurricular events are offered to give all students the opportunity to participate in or attend activities on a voluntary basis on their time outside of school hours. Because these events are attended by many people, there must be rules for events to keep everyone safe.

The conduct of students at extracurricular events is governed by the same code of conduct which is in effect during the school day. Forest Area Schools are proud of their reputation for award-winning sportsmanship and thus behavior specific to interscholastic competition, such as excessive booing and antagonism toward team members, coaches, or officials, cannot be tolerated. All school rules will apply to all extracurricular activities, as established in both the student handbook and the athletic handbook.

All school activities end by 11:30 PM, unless granted an extension by the principal. All dances must be scheduled and approved by the principal.

1. Sports offered (providing it meets the minimum number of athletes required to be a fielded team):
   **Fall:** Volleyball, Football, Cross Country
   **Winter:** Boys Basketball, Girls Basketball, Wrestling
   **Spring:** Baseball, Softball, Boys/Girls Track
2. Other offerings: Class Officers, Student Council, National Art Honor Society, Marching Band, Color Guard, and National Honors Society.
3. All other school activities also fall under the guidelines for extracurricular activities. Students participating in these activities must be attending school on a full time basis.
GENERAL SCHOOL PROCEDURES AND INFORMATION

SCHOOL BUILDINGS AND GROUNDS
Students are asked to remember that the school buildings and grounds are community property. As such, they belong to you, your parents, and other taxpayers of the school district. Damage due to carelessness or any other cause is simply an added cost to school operation. You can add to school and community morale by treating the property with all due respect and by taking pride in keeping the buildings and grounds neat and clean.

Students will be expected to pay for damage done to school property, this includes student lockers. Please do not sit on tables or the backs of chairs. Do not play where windows, doors, etc., may be damaged through careless or unintended means. Deposit waste materials in the proper containers in classrooms, restrooms, or hallways. Avoid writing or marking on the walls and desks. It is the responsibility of every person who has the privilege of using the building to ensure its present condition.

STUDENT USE OF AUTOMOBILES
Student vehicles are not to be driven during the school day (8:25 – 3:15). Students are not to be in the parking lot or remain in their vehicles once they arrive to school. This includes during breakfast/lunch. Student safety is our #1 priority, so students are expected to enter the building once they park their vehicles. Snowmobiles, off-road vehicles, mopeds or motorcycles must be registered with the office and parked in the designated area.

1. Student driving is a privilege and may be revoked if regulations are not followed. Repeated infractions may, at the discretion of the principal, result in suspension from school.
2. All students must register their vehicle with the office. All students must park in assigned areas with designated stickers. Students will be permitted to park in the front lot, and enter through the front MS/HS doors. No student entry or exit from gymnasium doors.

CONFISCATION OF STUDENT ITEMS
School personnel have the authority to confiscate student items on school grounds which are in violation of school rules, which are a hazard to other persons, which can be harmful to the school building, or which are disruptive of the educational process. Anything that may be confiscated from a student because of a violation of school rules may be held until the last day of school and returned at that time. A laser device, knife or lighter will not be returned to the student at the end of the year, it will only be returned to the parent or legal guardian. Items which are confiscated are to be handled in the following manner:

1. Consumable or perishable items may be thrown away.
2. Hazardous items will not be returned.
3. Other items are to be kept by the principal until the parents pick them up.

BUILDING RULES AND REGULATIONS REMINDERS
1. High School students are not allowed in the Middle School wing unless they are there on official business.
2. Students should wear only rubber-soled shoes on the gym floor. At no time may rubber or metal cleats be worn anywhere in the building.
3. Students are not allowed on the stage without permission.
4. Backpacks must be kept in lockers during the school day.
5. Cameras are not allowed in a classroom without permission of the teacher/person supervising that class.
6. There will be four (4) minutes between each class period. Students are expected to be in class on time.

CELL PHONES & ELECTRONIC COMMUNICATION DEVICES
Cell phones, electronic communication devices, audio equipment, and other personal communication devices are to be turned off during instructional time and stored so they do not interrupt the educational process. Additionally, cell phones, cameras, and other electronic devices are not allowed in bathrooms or locker rooms. The first violation of this will result in confiscation and turned into the principal for the violation and returned to the student at the end of the hour. The second violation of this will result in confiscation and returned to the principal for the violation and returned to the student at the end of the day. On the third violation, a parent will be required to pick up the device at the end of the school day. A fourth violation will result in the cell phone not returning to school for
the rest of the semester. A student who possesses a cellular phone and/or other electronic devices shall assume responsibility for its
care. At no time shall the school be responsible for preventing theft, loss, or damage to cellular phones or other electronic devices
brought onto its property. We ask that emergencies be handled through the office not by cellular phones and other personal
communication devices. This can jam up the phone lines, preventing emergency services receiving pertinent information from
dispatch.

Students may use their cell phone in the morning, prior to the start of the school day, until the first bell rings. Students may also use
their cell phones during passing times and lunch as well. Cell phones are not allowed in classrooms or other instructional areas.

**FUNDRAISERS**
The sale of any goods is not permitted in school unless it is for a District approved fund raising project. All paperwork must be
completed and on file at The District Office.

**HALL PASSES**
All students must carry an approved pass from an administrator or teacher to be in the halls. This applies to student council members,
yearbook and newspaper staff members, students with early dismissal permission, and any student who finds it necessary to enter the
halls.

**IMMUNIZATIONS**
The Michigan Department of Public Health determines the immunization requirements for enrolling students.

**MEDICATION CONTROL POLICY**
Guidelines:
1. Please request an "Authorization of Medication" form from the office. This form is filled out by the physician and signed by the
parents. This form must be on file in the office before medication is administered.
2. Student medication containers shall be kept in a locked place (i.e. office desk, file cabinet, locked box, etc.) not accessible to
students.
3. The medication itself shall be kept in an original pharmaceutical container, labeled as to name of student, name of medication,
dosage and time of dosage.
4. The medication shall be brought to school by the parent/guardian in a pharmaceutically filled container. Refill of prescription
shall be the responsibility of the parent/guardian upon notification of the school.
5. Medication may be administered only by a teacher, administrator or other school employee designated by the
Administrator in the presence of an adult staff member witness, when possible.

Internet Acceptable Use and Authorization Form

Dear Parents/Guardians:
Our School District has the ability to enhance your child’s education through the use of electronic networks, including the Internet. Our goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation, and communication. Students and their parents/guardians need only sign this Authorization for Electronic Network Access once while the student is enrolled in the School District.

The District filters access to materials that may be harmful to minors or otherwise inappropriate in the school setting. If a filter has been disabled or malfunctions it is impossible to control all material and a user may discover inappropriate material. Ultimately, parents/guardians are responsible for setting and conveying the standards that their child or ward should follow, and the School District respects each family’s right to decide whether or not to authorize Internet access.

With this educational opportunity also comes responsibility. The use of inappropriate material or language, or violation of copyright laws, may result in the loss of the privilege to use this resource. Remember that you are legally responsible for your child’s actions. If you agree to allow your child to have an Internet account, sign the Authorization form below and return it to your school.

Authorization for Electronic Network Access Form

Students must have a parent/guardian read and agree to the following before being granted unsupervised access:
All use of the Internet shall be consistent with the District’s goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. The failure of any user to follow the terms of the Acceptable Use of Electronic Networks will result in the loss of privileges, disciplinary action, and/or appropriate legal action. The signatures at the end of this document are legally binding and indicate the parties who signed have read the terms and conditions carefully and understand their significance.

I have read this Authorization form. I understand that access is designed for educational purposes and that the District has taken precautions to eliminate material that may be harmful to minors. However, I also recognize it is impossible for the District to restrict access to all inappropriate materials. I will hold harmless the District, its employees, agents, or Board members, for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child’s use is not in a school setting. I have discussed the Acceptable Use of Electronic Networks with my child. I request that my child be allowed access to the District’s electronic network, including the Internet.

Students must also read and agree to the following before being granted supervised access:
I understand and will abide by the above Authorization for Electronic Network Access. I understand that the District and/or its agents may access and monitor my use of the Internet, including my email and downloaded material, without prior notice to me. I further understand that should I commit any violation, my access privileges may be revoked, and school disciplinary action and/or legal action may be taken. In consideration for using the District’s electronic network connection and having access to public networks, I release the School District and its Board members, employees, and agents from any claims and damages arising from my use of, or inability to use the District’s electronic network, including the Internet.
